## **COMPANY PROFILE**

We are specialized in marketing and distribution of Electrical Equipment. We also distribute some of the world's renowned brands such as Philips, Samsung, Clipsal, Schneider Electrical, Osram, Legrand, Havells, Ducab, MK, ABB, GE, Gewiss, Crabtree, Crompton and others.

Our Main expertise and experience is in Electrical Products, LED Lightings and Solar Products. Some of our clients are in Residential Villas, Schools, Colleges, Business Warehouses, Paint Companies & Real Estate. We focus also on Government, Semi-Government Institutions, utility and Private Sectors.

Our area of activity can be categorized as follows:

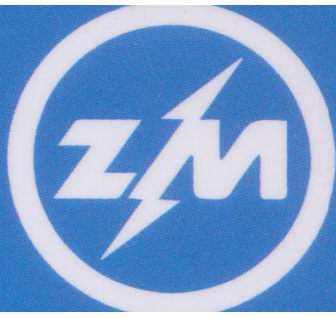

1. Industrial Safety Electrical Equipment
2. Commercial and Domestic LED Lighting
3. Solar Power Systems and Lighting
4. Electrical Cables, Accessories & Lighting
5. Electrical Lamp Fittings, Chandeliers, energy saving bulbs,
6. Distribution panels, breakers, decorative lights, ceiling fans.

Our main brand is JSS LED Lights and JSS Solar Products. Our products are manufactured from Korea, China India and Taiwan according to client' specific product requirements. The products, we import and distribute for the markets are exclusively represented and holding the agency status from the overseas manufacturers/suppliers.

In 2015, we relocated to Sharjah to focus and to cater to the modern concepts and to the ongoing infrastructure development projects in UAE, Oman, Bahrain, Qatar, Saudi Arabia, India, Singapore, Malaysia, South Africa, Kenya and other regions. Our utmost goal is to supply goods conforming to International standards to our customers in the power utilities and other related industries. We strive to search for technologically advanced and sophisticated electrical products to the market.

## **OUR TEAM**

Our Team comprises of Our Director who had 30+ years' working knowledge and expertise with Sharjah Electricity and Water Authority (SEWA) & a team of technical skilled staff with knowledge of LED Lighting, Solar Products and Electrical Products. Our projects are managed by our technical team from India, focusing on projects and mass electrification projects and power industry projects.
